The Monthly Magazine of the Residents Association

NUMBER 99

JANUARY 1977

We hope you all had a very merry Christmas and would like to take this opportunity of wishing you a happy New Year. 1977 should be an exciting year as both the Queen's Silver Jubilee and Bar Hill's tenth anniversary of existence fall within it. Needless to say, there will be festivities forthcoming to celebrate both!

Please excuse the lateness of this issue, caused by the typist's festivities over this long holiday period. Last month she was kept frantically typing a lot of very late copy, but this month she was eating and drinking - quits? She has solemnly resolved to type out the stencils for the News in good time for the rest of the year!

The objectives of the BHRA are to act as an intermediary between the residents and other parties, to keep residents informed of matters of importance and recreation in and around the village, and to promote the interest of Bar Hill Village.

This year's Committee are:

Chairman of the Committee:
Secretary:
Treasurer:

BAR HILL RESIDENTS' ASSOCIATION.

Minutes of the meeting held on Monday, 11th December, 1976.

Apologies were received from Mr. Price, Mr. G. Q. Lewis and Mr. T. Wingate. Attendance was recorded. The minutes of the last meeting, that of the 22nd November, were read and approved.

There was no Treasurer's Report, as the Treasurer was unable to attend.

Bar Hill News: Discussion took place about the layout, quality and quantity of the News. The Opinion article seemed to have provoked little concern. It was decided that only three months supply of covers would be purchased at a time. Paper and stencils are to be purchased.

Christmas Dance: This was a financial disaster- we lost about £30 - £40, the exact figure will not be available until all the bills are submitted. Discussion took place as to why it was a disaster, and it was pointed out that as we are just a working committee we have no following, thus we are unable to rely on a following of families and friends as other groups do. We have tried to run many different types of dances over the years, and still very few are interested in them. The only dances to make a profit have been the Discos put on for the young people of this village.

Tenth Anniversary Celebrations: A report was given by Mr. G. Brunning. The date of the festivities will be 21st and 22nd May. It was decided that we shall join in the P.T.A.'s Mayday celebrations. It is hoped to involve the whole of the village in different ways. The developers are planning a Buffet Dance on the Saturday night, numbers will be restricted to 250 persons.

A.O.B.: We were asked whether the village could have a permanent rubbish tip. It was pointed out that there are several existing ways to dispose of rubbish. We were asked whether there is a speed limit on the village, as there are no limit signs.

The next meeting will be held on the 10th January, 1977, at 8.00pm in the Green Hut. All members of the public are invited to attend.

PARISH COUNCIL NOTES - DEC. '76.

There have been two meetings during December.

MAINTENANCE AGREEMENT with Bar Hill Developers Ltd. is now completed and signed. The Council is now responsible for maintenance of amenity areas in completed phases, but not such matters as the landscaping/turfing of newly built areas. We are also now responsible for winding up the Maintenance Fund arrears due from residents. Your co-operation in speedily settling sums which are legally due and enforceable is sought. The benefit of an early settlement of arrears is directly to the village in that collection costs will be kept to a minimum. Finally, of the major points, residential freeholds will be available, hopefully, about the middle of 1977. Details will be announced in the News.

PLANNING. This has been a busy month, including three squash courts, new Club bar and new front entrance for the Cambridgeshire Hotel; no criticisms except that the large back wall needs to be "broken" by brick piers or something similar. The District Council have refused permission for three houses intended for the Fairway Housing area - the reason being the poor design. Tesco's (opening May 1977) are submitting landscaping plans for the whole site. We hope to persuade them to improve the quality of this important part of the project. The Hotel wishes to put up an illuminated namepanel on a wall to be built at the entrance of the roundabout. This should help to guide the strangers using the Hotel.

CYCLEWAYS ALONG THE A604. Realistically, we may have little chance to change central government's refusal to provide cycleways. However, the Council is trying particularly for the stretch from Bar Hill to the Swavesey turn.

RATES 1977/78 will reflect the cost of maintenance which until now has been collected by the developers in the form of a 5p/£ charge. The total expenditure budgeted for 77/78 is £17,000, which will probably cause a parish rate charge of about 6p/£ of Rateable value. Your money will be spent, among other things, on maintaining all the open and amenity areas, tree/shrub planting, play equipment, allotment improvements, providing footpaths in and near the industrial area, cleaning the Mall, general litter picking, and collecting Maintenance Fund debts. Grants are also made to village organisations including the Youth Club, the Church, the Retired Residents, the Playgroup and also

the Residents' Association. The Council hope that at all times they spend your money wisely. The Accounts are independently checked an available during audit to residents.

TRAFFIC REGULATIONS. The Parish Council has endorsed the District Council's request for vigilance by local authorities in enforcing traffic regulations. Such things as adhering to the 30 mph speed limit on the perimeter road will help. Developers clearing mud off the roads would also help.

PART TIME JOB. The Parish Council needs a Minutes Secretary to attend about 15 meetings per year, take minutes, type and distribute them. Possibly also to deal with the meeting Agendas. The hours are probably about 6 per month and the post will be remunerated accordingly. It is an interesting job. If you would like further details or wish to discuss this job, please contact the undersigned.

NEXT MEETING. All welcome to the Green Hut on Tuesday, 18th January at 8.00pm. See the Parish Council Notice Board in the Mall for details.

Mark Pettit, Parish Clerk
28 Acorn Ave., Tel: CH 80400

MAINTENANCE ARREARS.

General Notice:

Now that the Maintenance/Trust Agreement with the developers has been signed there will be no more annual charges to residents under the terms of their leases.

However, the debts due to the fund from residents will be collected by the Parish Council. The Council have taken over the Fund under the terms of the agreement with the developers.

If you wish to clear your arrears of maintenance monies, details of outstanding amounts can be obtained from Mrs. J. Pettit at 28 Acorn Avenue, Bar Hill, tel: Crafts Hill 80400. During January/February notices will be sent to residents of amounts which are outstanding and due to the Fund. All debts to the Fund will be collected, if only to be equitable to those who have paid the legally due amount in full. Please note that the Parish Council are now in the position of landlord/lessor for residential properties.

Moving House:

Under the terms of your lease, notice of the transfer of the lease on a sale should now be sent to the Parish Council, 28 Acorn Avenue, Bar Hill, together with any Maintenance Fund arrears. The Council will then register the transfer.

Mark Pettit, Parish Clerk
28 Acorn Avenue, tel: CH 80400

BAR HILL VILLAGE HALL.

The Parish Council has set up a committee to arrange for the provision of a village hall in Bar Hill. Members of the Parish Council and Residents' Association are working together on the Village Amenities Planning Committee (VAPC).

As part of the deal just agreed between the developers and the Parish Council, the developers are providing £50,000 for this purpose. With the aid of Government grants we hope to increase this by three times.

So far we have asked all the village organisations about their present and future needs and also checked what is already available. We have been to have a look at other village halls nearby to see what they have done.

To get the maximum Government grant, we shall have to build in phases, but we aim to make each phase useable as soon as it is ready. Our next task is to decide what we need and what should come first.

We shall do our best to provide the village with the hall that it needs and which it can be proud of, and also which is good value for money.

John Wills (Secretary VAPC).

OPINION.

No wonder the writer of last month's "Opinion" hides behind a set of initials and does not sign his name when he blatantly distorts facts. He claimed that Fireworks displays are held "to commemorate the act of a traitor". This is not the case.

What we in fact commemorate with our Fireworks Night celebrations is the FAILURE of Guy Fawkes' Gunpowder Plot of 1605, which aimed to destroy Parliament and England's hard-won democratic liberty, and to replace it with an autocratic, Catholic King holding absolute power. When we burn "Guys" on our bonfires, we are celebrating Guy Fawkes' prolonged torture and execution by fire.

On the face of it, this may seem a gruesome festival, but in my opinion, it is essential for us to bear in mind the considerable democratic freedom that we in this country enjoy, and to prevent apathy letting a fanatical minority, whether Communist, National Front, or whatever, from eroding the freedom of our country.

And that, "T.M.", is what we celebrate on Fireworks Night.

BOUQUET.

On behalf of myself and all the people who partook of the
Church Christmas Lunch on December 16th, I would like to
express our sincere thanks to the team of helpers who
cooked and served such a nice meal. Not only do we wish
to convey our appreciation for this one occasion, but for
the Church lunch they provide every month, and we are all
extremely grateful to them.

FIRST BAR HILL SCOUP GROUP.

Oh, what a clanger! No, not the bell we use on waste paper collection days but the fact that we missed the December issue of the Bar Hill News! Still, may I now, on behalf of the Group, offer you all our very best wishes for 1977.

Waste Paper: strange to relate, but as we missed the last Bar Hill News, a lot of people were not sure that we would be round collecting. We would like to remind you that we collect on the second Saturday of EVERY month regardless, even if we do miss the News again. Our collection this month will be on Saturday, 8th January, starting as usual at 9.00am. Once again we will have our bell-ringer going round in advance of the van to remind you if you have not already put your papers out.

Cub Scouts: both packs had a full programme of events last year and it seems that with 1977 as the Queen's Jubilee Year, the boys will once again have much to do. They will all be wearing a smart new badge for this year, so look out for it when you see them in uniform.

Scouts: Roy Evans has taken up his appointment as Scout Leader and in the latter part of last year started holding meetings with his Patrol Leaders. He soon hopes to hold a meeting to which all the boys who were members of the previous troop will be invited. It is his intention to get the new Troop going with these boys before opening the doors to those who have been waiting since they left the Cub Scouts. This will enable him to build up slowly but firmly to establish a first-class Troop. However, if it is to succeed, then one or more assistants are required to help with the running of the Troop on the evening, yet to be decided. One man, no matter how well-intentioned, cannot be expected to run a Troop without any help and in fact the County Authorities would not allow it. Please contact Roy direct at 49 Foxhollow or telephone 80403.

Thank You to you all for your support during 1976. Not just with the waste paper but also with Job Week and parents' evenings and all the other activities you have attended to support the boys. It means a great deal to the boys to know that they are accepted as part of the life of the village with a firm role to play. Please keep it up in 1977!

SLIMMING CLUB.

On Wednesday, January 19th, a new slimming club will begin. It will be held in the School, starting at 7.30pm until 9.00pm. So if you want to shed those extra pounds put on over Christmas, come and join us!

Contact Jan Mutch, 26 Otter Gardens (Tel: CH 80333) for more details.

BAR HILL PARENT-TEACHER ASSOCIATION.

Due to finances needed to purchase a Minibus for School and Community use, we regret we have had to drop this fund-raising project. Donations will, of course, be returned. We would like to thank everyone who has helped with this project.

YOGA CLASS.

The class is nearly full, if you would like to join us, please contact Gillian Wills, 17 Acorn Avenue (80551) before the term begins.

Ten-Week Term 22nd January - 19th February (half-term
26th February) 5th March - 2nd April.

Time Saturday, 3.30 - 5.00pm

Place "Terrapin" classroom, Bar Hill Primary School. (N.B. no lavatory - sorry!)

Fees £1.25 per half-term, payable at first class.

Please bring a blanket to lie on.

Please wear unrestrictive, comfortable clothing (e.g. tights or LOOSE trousers), with a warm sweater to put on, and bare feet.

BRITISH LEGION.

The Bar Hill Branch of the British Legion wishes A HAPPY NEW YEAR TO ALL RESIDENTS and thanks to all the helpers at our recent dance, particularly the ladies who provided such a delightful meal and Christmas cake.

The event was a rousing success, enjoyed by 120 people, but alas the only persons attending from Bar Hill were those directly concerned in promoting the event, and the remainder were from Dry Drayton, Coton and surrounding villages. Next time, please allow us to provide the obvious pleasure enjoyed by our visitors.

The future programme of events will include:

Whist drives
Bottle drives
Bingo
Cheese and wine social
A bring a bottle and sing party (knees up!)
Spring, Autumn and Winter dances

Why not support us and other groups in trying to establish a real Bar Hill identity? You don't have to be a member of any special group to enjoy their social activities. As a resident of Bar Hill you are more than welcome.

As for direct British Legion membership, then if you have served in any branch of H.M. Forces for a period exceeding seven days, then you are eligible. A membership drive will be conducted in mid-January, 1977, in the meantime a phone call to:

Roy Evans 80403

Wally Philpott 80578

Tom Stephenson 80593

or call in at the School on the first Monday of any month and all details will be provided. And please remember you do not need to be a member to enjoy any of our social activities.

Tom Stephenson, Treasurer.

BRITISH RED CROSS SOCIETY.

The Cadet Unit took their Home Nursing exam on Tuesday, 14th December. The result was a very satisfactory 100% pass! Some members were not old enough to be awarded a B.R.C.S. certificate, but they were awarded Attendance Vouchers.

The next meeting will be on the 11th January, and anybody between the ages of 10½ and 16 is invited to be at the School at 6.30pm.

Don't forget the Adult First Aid Course at Swavesey Village College starting on Wednesday, 19th January (note change of date from last month's News.)

Mrs. J. Small, 31 Long Lane,
Willingham. Tel: 60480.

8 o'CLOCK CLUB.

January 6th. Coffee evening at Marian Lancaster's, 13 Gladeside, at 8.00pm.

February 3rd. Speaker from the Cambridge Evening News in the School lounge at 8.00pm.

Opening times Those shows marked * will be open: first day 11.00am - 6.00pm, second day 10.00am - 5.00pm. Those marked+ will be open: first day 11.30am - 6.00pm, second day 10.00am - 5.00pm. Times of opening for the Society shows will be given nearer the dates.

If you are a member of a Society which has not been mentioned in the show calendar and you would like to

promote that Society in the village, I will include dates for shows and meetings in next month's News, if you so wish.

I would like to remind all members that the Bar Hill Horticultural Society is affiliated to the Royal Horticultural Society. Two of the privileges I would like to draw to your attention are:

Show Tickets. Two transferable tickets which may be used by any member of the affiliated Society. Each of these tickets will admit one person to any of the RHS shows (except the Great Autumn Show and Chelsea Show) held in the Society's halls in Graycoat Street and Vincent Square, London. The tickets also give admission to the Society's garden at Wisley, near Ripley, Surrey, where each ticket will admit two persons.

Times for Wisley:-	Weekdays	Sundays
January	10.00am - 4.30pm	10.00am - 4.30pm
February to Oct.	10.00am - 7.00pm or sunset	10.00am - 4.30pm or sunset
November and December	10.00am - 4.30pm	10.00am - 4.30pm

Six tickets for the Chelsea Show, held in May, in the grounds of the Royal Hospital, Chelsea. Two of these tickets will be valid on the first, second and third day and four will be valid on the second or third day. Each ticket will admit one person and must be given up at the entrance.

Six tickets for the RHS Great Autumn Show, when such a show is held. Two of these tickets will be valid on the first, second or third day and four will be valid on the second or third day. Each ticket will admit one person and must be given up at the entrance.

If there are more members requiring tickets than tickets available then a draw will be held.

The other privilege is a copy of the RHS monthly journal which is available, to members, on loan at the open meetings of the Bar Hill Horticultural Society.

Which brings me to this month's talk by Mr. Orriss, who is Superintendant of the University Botanical Gardens, Cambridge. The talk, which will be accompanied by slides, will be on "Landscaping in the small garden". I hope this

talk will be of particular interest to those gardeners who are starting a new garden and to those who will be preparing for our annual garden competition. This talk will be held in the Bar Hill School lounge on Wednesday 12th January at 8.00pm.

Society Shop. The shop will be open on the first Sunday of this month and the first Sunday in February.

Membership. Committee members will be visiting residents this month to collect renewal subscriptions and hopefully to gain new members. The fees remain the same, 30p joining fee and 30p annual subscription, per household. This entitles any member of the family to purchase goods from the Society Shop, situated on the allotment site, and also the use of the Society Library, the RHS journal and the RHS Show tickets.

WHAT IS A VILLAGE LOCAL?

Not the Fox, as far as a great many of the villagers are concerned. "Can't get in the place" or "all them discos, can't hear yourself talk!" All this is a great pity and I think it would be a good idea to let villagers know a few facts about "our local".

In the past, it is true, discos have played a major part in the type of entertainment available. Whilst not suiting all tastes, it must be remembered that it DOES suit a great many of the younger married couples here at Bar Hill, as well as customers who come from outside the village. However, Bill Thompson, the Manager, understands that this type of entertainment is not to the taste of everyone, but what form of entertainment is? Some time ago now, he stopped the Wednesday night disco and it has taken a very long time for this fact to become known. Now he has stopped the disco on Saturday nights and is hoping to provide an alternative entertainment, an organ has been suggested, on that evening. This means that there are now only two disco nights and these are Friday and Sunday. During the week darts play a major part in the activities, with the ladies playing on Tuesdays and the men on Thursdays.

So there you are, not so bad after all, is it? Not just a disco pub as you might have thought, but a true local

with a Manager trying to provide entertainment and facilities to suit as wide a range of villagers as possible. What else does it need to make it a true "local"? YOU, of course! Why not pop down one evening and see for yourself?

By the way, I have not been asked to write this by either the Manager of the Fox or by Tolly Cobbold. I have no particular axe to grind but as a regular customer I thought it about time that someone should correct the popular misconceptions regarding the Fox that seem to be held by so many people.

WEA NEWS.

Our Local Archaeology course starts on Wednesday, 5th January, as planned, but we regret that because of the restrictions imposed by the size of the grant received from the Department of Education and Science, we have been forced to cut the length from the twelve weeks advertised to ten. In view of this, and the fact that the School has already been booked for the dates we had anticipated, we propose to have our half-term break in the course on Wednesday, 9th February, and instead to use this booking for our AGM. We hope that everyone interested in the continued existence of WEA classes in

Bar Hill will come to this meeting, but more of that next time.

The revised proposed syllabus is as follows:-

- 1 Introduction; sources of archaeological information.
- 2 Prehistoric Cambs.; Neolithic to Bronze Age (including flint technology.)
- 3 Prehistoric Cambridgeshire; Bronze Age to Iron Age (including metal technology).
- 4 Recent excavations in Cambs.
- 5 Roman Cambs.
- WEA AGM - 9th February.
- 6 Saxon and Mediaeval Cambs,
- 7 Museum visit (School half-term).
- 8 Mediaeval earthworks and field archaeology.
- 9 Field trip? Date?
- 10 Discussion. Revision. Significance of archaeology.

It is a pity that we have to make these last-minute re-arrangements and cut the length of the course, but if enough interest is shown, we can apply for a further archaeology course later.

Alison Taylor, our tutor, has a very interesting project in hand in the form of an "archaeology workshop" to be held on the third floor of the Cambridge Central Library on the first Saturday of every month, beginning on the 5th February, from 9.30am - 12 noon. During this period, Miss Taylor and her assistants will be on duty to identify archaeological artefacts brought in by members of the public. There will also be a small exhibition supporting the workshop, showing the work which is being done at the time and illustrating recent finds.

Miss Taylor would like to emphasise that they cannot cope with the identification of anything but archaeological

finds; geological finds (e.g. fossils) and family heirlooms are beyond the scope of this venture. But even if you are not the possessor of any remains of (alleged) antiquity, the workshop may well be worth a visit; questions on local archaeology from people of all ages will be welcome.
